

# CRESCENT CITY MOTORCYCLE TRAINING

## Scooter Course

Crescent City Motorcycle Training is the first and only certified Motorcycle Safety Foundation (MSF) Scooter School in Louisiana and is 1 of 10 in the US. MSF Scooter School I is an entry level, learn-to-ride scooter training and Education course. It is designed to help riders/Scooterists enhance their skills and learn important Street riding strategies.

Crescent City Motorcycle Training Scooter School I is a five-hour course consisting of 10 riding exercises and two safety discussions. The objectives of the Scooter School I includes the following: safety awareness, identifying personal abilities and scooter capabilities and developing strategies to help identify and manage risk. Upon completion of this course, you should be able to demonstrate proper braking skills, avoiding hazards and obstacles, making tight turns, and using proper lane usage.

Scooters will be furnished by Crescent City Motorcycle Training. The course fee includes usage of a scooter, consisting of Vespa and Piaggio models ranging from 150 - 200cc. The scooters are furnished by the Transportation Revolution home of Ducati, Triumph & Vespa New Orleans.
